

WEZZIEWAWO INT'L ENTERPRISE MEDICAL SUPPLIER

PRODUCT CATALOGUE

Who we are:

We here at **Wezziewawo Int'l Enterprise** pride ourselves in supplying quality medical & laboratory equipment to thousands of customers across the globe. We import good & quality stuff from **New Delhi India** where we have different manufacturers like **Bioline Diagnostics pvt limited**, **Narang Medical Ltd**, **Indosurgicals pvt limited**(New delhi), **MED equipAlliance**(New delhi), **Indra plasta** (New delhi), **Medplus**(New delhi), **Recombigen pvt Laboratories**(New Delhi), **Surgical Hub** & lastly **J.O pharma pvt limited** also in **new delhi**, who customize their products to your needs. We then make these items available in MALAWI and other countries at large. Our company is fully registered with and licensed by the Malawian government making this business legal in the country. Legal business is a something that we as a company prioritize and our virtues remain **honesty and integrity** that is maintained at all costs.

MISSION

Our mission is to supply the highest quality medical & laboratory equipment at the lowest possible prices. We aim to reach out to as many clients as we can in order to improve the health sector so that we can ease the burden of many hospitals, both in low and high income countries.

GOAL

Our goal is to be a highly consistent, well trusted medical service provider. Due to scarcity of medical and laboratory equipment in Malawi & other African continents at large, we thought it wise to

assist the health system of Malawi and others in order to curb this problem.

FROM THE CEO'S DESK

Wezziewawo Int'l Enterprise was founded in 2021 by Miss Rachael Wezziewawo Phiri. Since 2021, the company has become one of the reliable Suppliers of Medical equipment and surgical disposables to different clinics from different districts in Malawi including the Malawi gvt itself. Such a record breaking Milestone has been made possible in a short period of time because of the quality of the products from our Manufacturers in India. We are therefore optimistic that with time, we will become one of the greatest service providers not only in Malawi but other countries at large.

Motto!

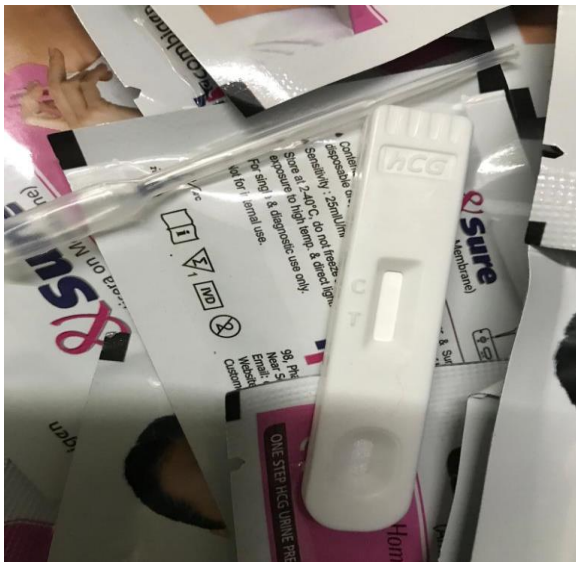

“Your satisfaction is our priority & when it comes to quality, we beat the rest!!”
